## Listen Cooties, Crummies, and Cuties:

Just a few thoughts as we end this fantastic year. The real biggie is that we managed to grow again this year at a 102.44% rate! If you follow our VFW posts and their growth, it is up and down, but in our case, we are not only moving up but also expanding. I understand we have a number of prospective Pup Tents being formulated due to your ingenuity and hard work. Your efforts are extraordinary and certainly applaudable. The trick is to keep moving forward and never get stuck in the “old rut” with the attitude we cannot grow and be a more viable organization.

Of particular note is our communication chain which reaches almost 50 MOC and MOCA per Zoom session. Thankfully we have not given in to the temptation to have Zoom official meetings. We accomplish so much more by having actual contact meetings! As this is your organization, I would recommend at least being a listener at these internet gatherings (Zoom). You will be surprised at the excellent ideas that are exchanged. Contact our lousy adjutant Tracey Woodman for inclusion.

Our hospital work as reflected by our Hospital Chairman, Eric Bell, has exceeded 200% which is certainly commendable as some areas still have to have limited contact due to health recommendations. My thankfulness for your persistence and ingenuity is boundless... you have broken out of the mold, and found new and meaningful ways to keep our veterans in touch with their brotherhood. Please continue to share your pictures and narratives so we can all benefit from your activities. This will also give you the opportunity to thank all those Cooties – MOC and MOCA – who are instrumental in sustaining our prime directives! There is no way anyone could pay you for the valuable service you continue to provide. I cannot tell you how proud I am of you and the many projects and veterans that you impact.

If and when you run across one of our Past and Present VFW National leaders, please take time to thank them for their interest and support. We are all VFW members but we have chosen to add more duties that we feel are important to our fellow veterans. “Caring is sharing” and each and every one of you is important to our organization and to the veterans we serve.

Thank you for your dedication and continued service. **YOU** are making a difference in many veteran's lives as well as your own – Thanks is the very least we can offer.

Looking forward to another productive year as we continue to grow and find more efficient ways to serve our fellow veterans. This organization means a lot to me and I hope to you.

**Yours in Comradeship and LOTCS,**

# From the Supreme Quartermaster

**Listen Cooties,**

Congratulations, for the first year in many years we exceeded our goal of being 100% in membership. This was your hard work that made this happen. Now we need to get the ball rolling on this year. However, I have to tell you that things are changing for this year. I will not be bugging you this year to process election reports, registering for the Supreme Scratch or getting your Pup Tents inspected. Grand Commanders, Adjutants, and Quartermasters, this is your job or responsibility to oversee the programs that are listed in the Supreme program book. Donations are your responsibility. I am here to help and will provide whatever help I can give. All you have to do is contact me when you need something.

I look forward to seeing everyone at the Supreme Scratch. It should be a lousy time for all.

The Cootie Depot will be at convention to give you everything you can think of and to provide you with a lousy shopping experience. There will of course be specials so stop by the supply store and shop to your hearts content.

Please read the Supreme Program Book as several of our programs have changed and new programs will be available.

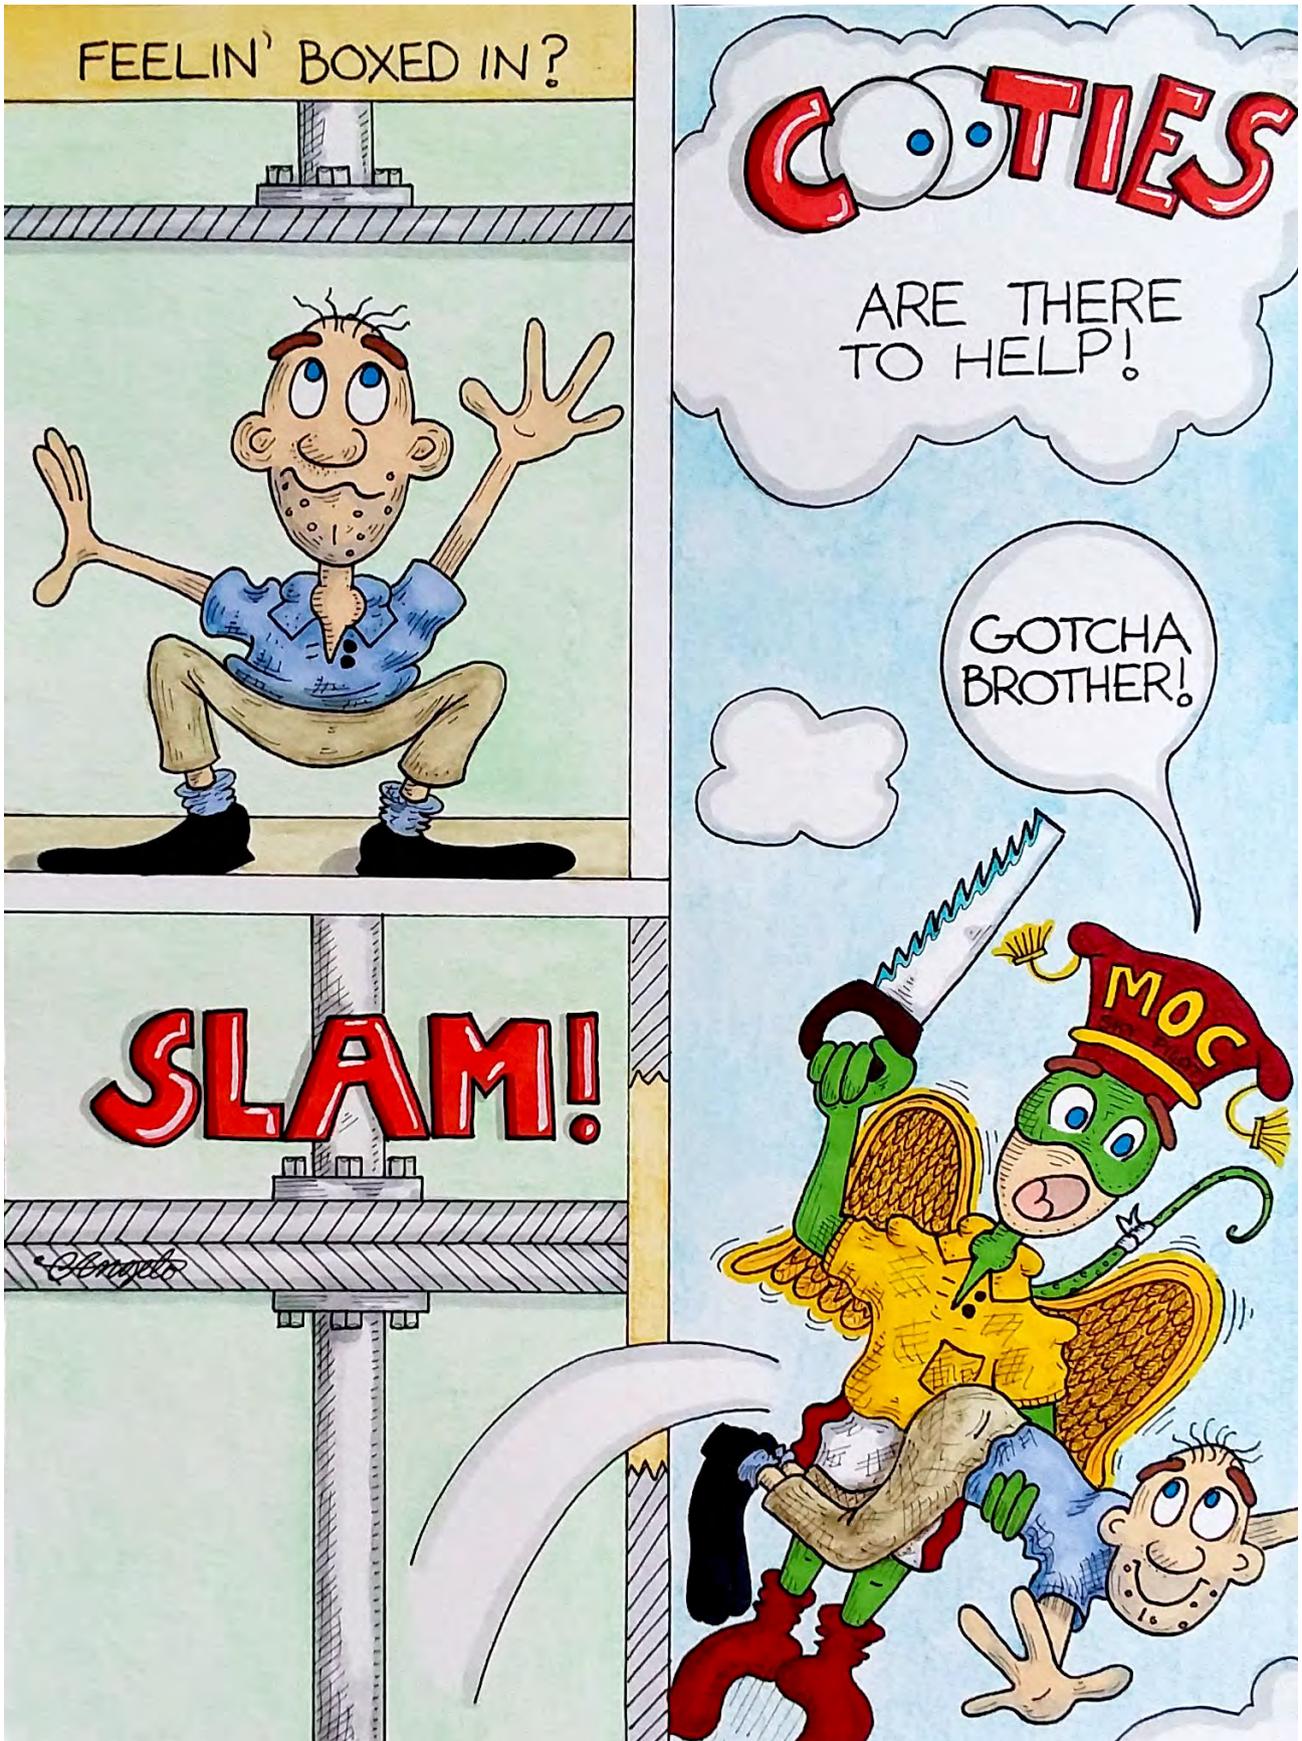

We have a large number of Grands that made All Star this year because of their hard work. All Star awards will be given out during the joint opening ceremonies.

**Yours in LOTCS,**

**Gary Dressel  
Supreme Quartermaster  
2021-2022**

## Signs of a Stroke

Strokes are the number 5 cause of deaths and the leading cause of disabilities.

A stroke occurs when blood flow to the brain is blocked. Without blood, brain cells die. That affected section of the brain starts breaking down and brain functions are altered. Strokes are usually painless, however there are signs that you may be having a stroke.

Listed below are several ways to determine if you are possibly having a stroke.

### Use the letters in **F.A.S.T.** to spot a stroke.

- **F = Face Drooping.** Does one side of the face droop or is it numb? Ask the person to smile. Is the person's smile uneven?
- **A = Arm Weakness.** Is one arm weak or numb? Ask the person to raise both arms. Does one arm drift downward?
- **S = Speech Difficulty.** Is speech slurred?
- **T = Time to call 911**

### Watch for sudden occurrence of the following symptoms:

- **Numbness** or weakness of face, arm or leg, especially on one side of the body
- **Confusion**, trouble speaking or understanding speech
- **Trouble seeing** in one or both eyes
- **Trouble walking**, dizziness, loss of balance or coordination
- **Severe Headache** with no cause.

It is hard to tell if you are having a stroke if these are the only signs. But if they appear out of the blue and are strong enough to make you take notice seek help. ***When in doubt, get it checked out!***

Yours in L.O.T.C.S.,

# From the Supreme Pappa Clown

Greetings my Crummy Cootie Clowns (C3). I will not take a lot of your time.

I just have two things.

First, we didn't have a lot of clown participation. But we had some great clown work done by those who did participate. So, I am coming to the Crummy Supreme Scratch with Crummy Awards and even Crummier Checks. Who will get them?

And that's the other thing. I hope to see each of you in Kansas City. Be safe and be a blessing to others.

## **Robbie Normand for Supreme Jr. Vice Commander**

**I**t is with immense pride that I announce my candidacy for Supreme Junior Vice Commander. I earned my VFW membership serving three tours, consisting of five years, at Osan AB, South Korea. Additionally, a one-year tour in Iraq as a member of a Weapons Intelligence Team in various locations. I joined our *Crummy Fraternity* at Pup Tent 8 “Chokum Chingu”, Department of Pacific, while still on active duty at Osan. As an NCO for over 11 years, I learned to lead, and motivate those under my command.

As a disabled veteran, I understand how important the VA system is to our comrades and am determined to ensure our fellow veterans, of all genders are well taken care of physically and mentally.

I am a proud *VFW Gold Legacy Life* member and a *Red Star Life Cootie*. I have served as District Commander for VFW Department of Nevada and various District and Post positions. I have been the Seam Squirrel for Pup Tent 2, "Snake Eyes" Nevada for 3 years and was Senior Vice Councilmember for Supreme District 12. Then I transitioned to become the Councilmember for Western Black Pup Tents when the districts dissolved.

I truly love this organization and its singular goal of serving our veterans and their families and I am determined to see it *Increase and Multiply* thriving for generations to come. I have learned much from those that have come before me and I wish to impart that knowledge to those that will follow me, mentoring the new generation for continued growth of our organization. It is without a doubt that we need new VFW Members that served during Desert Storm, Iraq and Afghanistan to join, step up and take charge. I would appreciate your support to help me reach this goal.

#### Recap of qualifications

- Earned VFW membership in South Korea and Iraq
- Current Western Region Black Pup Tent Councilmember, Former 12<sup>th</sup> District Supreme SVC

# Council of Administration

## Discussion points regarding Council of Administration and Supreme Convention

There seems to be some confusion/disagreement with who should be representing on the Old Council of Administration, i.e., the C of A at the beginning of the Convention period. This is for the outgoing Grand Commanders as this is the concluding C of A for their year. The new C of A (Sunday morning - after elections and installation) is for the NEW Grand Commanders.

Also, Grand Commanders are automatically on the Supreme Council so they do not need to be installed on Saturday evening. Only the Supreme Line officers will need to be installed. Grand Commanders were installed at their Grand Conventions.

As far as who does what during the Supreme Convention, by rule of thumb, the Friday activities are the award presentations and any reports of Chairmen on the programs. As such, Friday is a day to recognize the achievements of the Grands and Pup Tents for the previous year, ergo the outgoing Grand Commanders. The activities on Saturday – By-Laws, Ritual, Elections, etc., should normally fall to the NEW Grand Commanders as these are actions which they will be living with for the ensuing year.

# Supreme President's Message

Happy 4<sup>th</sup> of July to all my Cootie Brothers, Sisters and Comrades.

Well, the year is just about over and we (the Auxiliary) have grown a bit. We instituted 2 new Auxiliaries, one in Indiana and one in Kentucky. We also instituted the Grand of Kentucky Auxiliary. Hopefully by the time Supreme rolls around we will have instituted another Auxiliary in GA. Welcome to all the new members. I know not all of you will be able to attend the Supreme Convention, but I hope that at least your President will be able to attend.

I know that by now all Auxiliaries have installed their 2022-2023 Officers. Please double check that your Installation reports have been sent into the Supreme Treasurer. If they have not, send them to her A.S.A.P. If she does not get these reports, we will have no choice but to put your Grand or Auxiliary in suspension.

I am proud of each and every one of my Auxiliary Brothers and Sisters for paying his/her dues and helping us reach over 103% in membership on the Supreme level. We haven't done that in quite a few years. Let's keep this going by starting to pay your 2023 dues early. The 2023 cards will be sent out around convention time.

I'm glad that things are semi starting to get back to normal and that the VA hospitals are starting to slowly open up and let us do what we do best, keeping our Veterans smiling in beds of white.

Information about this year's Supreme Convention & Tomb Trek is on the Supreme website (lotcs.org) under events.

I just moved into my new house earlier this week and am a little behind in getting out the tentative agenda for the MOCA Supreme Convention. I hope to have it out early next week. Watch the Supreme MOCA website.

I hope everyone has a safe and Happy 4<sup>th</sup> of July and I am looking forward to seeing you in Kansas City.

Loyally,

*Debbie Thie*  
*MOCA Supreme President*

# Cathy Seippel for Supreme President 2022-2023

I am honored to announce my candidacy for the Office of Supreme President to the Military Order of the Cootie Auxiliary for 2022-2023.

I have been a Life Member of the VFW since 2000 and a member of MOC Auxiliary for 18 years. I have been privileged to hold several offices in the VFW Auxiliary as well as MOC Auxiliary beginning with Guard up to VFW Auxiliary Department President, and Grand of AZ President, and currently Supreme Sr. Vice President.

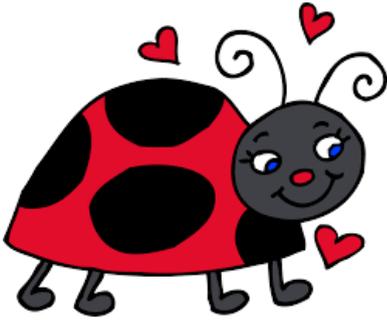

With the endorsement of my MOC Auxiliary #14, Wilde E Coyotes, and the Grand of Arizona, we are requesting your support as I proudly take the next step for MOCA Supreme President 2022-2023.

Loyally,

Cathy Seippel

# Billie Cassidy for MOCA Sr. Vice President

## Candidate for Supreme Sr Vice President

It is that time of year again. I am proud to announce my candidacy for the high Office of the Supreme Sr Vice President to the Military Order of the Cootie Auxiliary for the ensuing year 2022-2022.

I remain very dedicated and committed to all Veterans. I am asking for your support as I continue to the Office of Supreme MOCA Sr. Vice President.

You are all in my thoughts and prayers. Please stay safe.

Loyally,

*Billie Cassidy*

# Dave Johnson for MOCA Chaplain

## Endorsement from the Grand of Oregon

It is my honor and privilege, as Grand of Oregon President, to announce and support the candidacy of Dave Johnson for the high Office of Supreme Chaplain to the MOC Auxiliary 2022-2023.

With the changes in the VFW Auxiliary Policy and By-Laws, Dave was honored to become a VFW Auxiliary member in February 2016. He entered both organizations under his father, a WWII veteran, VFW member, Purple Heart Society member and officer and proud board member of the Seventh Armored Division.

Dave is currently the VA-VAS representative to the Eugene VA Clinic. He became a member of the MOC Emerald 4 Auxiliary of Oregon in September 2016 and is currently in his third year as Auxiliary President. He is also the Grand of Oregon Chaplain and has been active in Grand programs as well as serving as the Grand Inspector. He has worked very hard to keep the Grand of Oregon viable and active.

Dave was elected to the position of Supreme Conductor last year and has worked hard to support this year's programs during the pandemic. Dave will make an excellent Chaplain for the Supreme organization.

The MOCA organization needs to keep our "traditions" alive but must grow in order to survive. We need to focus on service in order to attract and recruit new members to carry on our history of veteran's support. He has the support of his Auxiliary and his Grand. We are asking for your support for him at this 2022-2023 Supreme Convention.

**Respectfully Submitted,**

**Sheila Logan**  
**Grand of Oregon President**

# Rebecca Wischmeyer for MOCA Treasurer

Dear MOC Auxiliary members,

It is with pride that Grand of Missouri MOC Auxiliary at their Convention on April 23, 2022, unanimously endorsed Sister Rebecca Wischmeyer for the office of Supreme Treasurer.

Rebecca joined the Auxiliary in 1988 under the eligibility of her Dad, Harold Mauller, a World War II Veteran.

She has served the Auxiliary, District and Department with dedication and currently is Treasurer for Auxiliary #280, District 2 Treasurer, Department Musician, and National Council Member #5

Rebecca became a member of the MOCA in 1990, served as the President in her local auxiliary several terms. Went through the chairs of the Grand of Missouri and served as Grand President 1992-1993 and 2007-2008. Rebecca was the Supreme 4<sup>th</sup> District Hospital Commissioner from 1998-2006. Rebecca went through the chairs of the Supreme and served as Supreme President 2006-2007. Rebecca went through the chairs of the Supreme 9<sup>th</sup> District and served as Supreme 9<sup>th</sup> District President 2017-2019. Rebecca is now serving as the VAVS Deputy Representative.

Rebecca retired from the Department of Veterans Affairs as a RN at the Truman VA Medical Center after 30 years of service. Presently Rebecca is working part time working at Phoenix Home Health.

Rebecca is dedicated, energetic and a proven leader. She would be an asset to the Supreme MOCA as the Supreme Treasurer

We are asking for your support and vote at the 2022 Supreme Convention.

# Gloria Corno for Supreme Guard

**To All MOCA Members:**

Good afternoon:

**M**y name is Gloria Corno from the Grand of New Jersey where I have been an active member since 1994. I have served as Grand President for four terms and have served in each of the other chairs in the Grand at least one term. I served as Grand Senior Vice for five terms and this helped New Jersey to always have a representative at all Supreme functions if the President was unable to attend. I also served as VAVS for Lyons VA hospital several years. Now, I always attend the VAVS meetings as the Grand President since I want to stay informed of any changes to the care of our veterans. This is especially important as we hopefully leave the pandemic behind. I have the full support of my Grand and my MOC Auxiliary and some Past Supreme Presidents.

On the Auxiliary level, I have been an active member of Jockey Hollow Aux. 15 for the past twelve years and before that I was a member of F-Throop Auxiliary 69 for many active years until we were forced to disband due to the age and death of many of our members. In the Auxiliary I have served as President for two terms, Senior Vice for six years and Conductress also. I am also the National Home Chairman on the Auxiliary level and I have attended Easter Treat several times. I have represented my Auxiliary and Grand several times at Tomb Trek and it has been an honor to lay a wreath each time. I still get a thrill every time I think about it.

I am also active in the VFW Auxiliary. I have been an active member since 1985 and I have served through all of the local Auxiliary and District chairs. I have also held many Department Chairmanships (3 times National winner) and also many Department chairs. Right now, I am serving as Senior Vice President in District 11 and as Chaplain for my Auxiliary. I am also the District Scholarship Chairman, and Youth Activities Chairman. I have the full support of my family and they are all active in the VFW and MOCA Auxiliaries. I am asking for your support in my quest to become your next Supreme Guard and I am available to answer any questions you may have.

**Loyally,**

**Gloria Corno**

# Proposed By-Law Changes

### Section 201. Formation of.

A Pup Tent maybe formed by charter from the Supreme Pup Tent on application of not less than fifteen (15) members of the Veterans of Foreign Wars of the United States. These members can be new members, reinstated or transfers from another Pup Tent in accordance with section 101 of the MOC Bylaws: Provided, however, the number of Pup Tents in any Grand shall be governed by a majority vote of the Grand Council and where no Grand Pup Tent exists, it shall be a decision of the Supreme Council. Such application shall be made in accordance with the Bylaws of the Military Order of the Cootie.

### Section 201. Formation of.

A Pup Tent maybe formed by charter from the Supreme Pup Tent on application of not less than fifteen (15) members of the Veterans of Foreign Wars of the United States. These members can be new members, reinstated or transfers from another Pup Tent in accordance with section 101 of the MOC Bylaws: provided, **a minimum of 45% of the Chartered members are new members or a minimum of seven (7) of the chartered members must be new members.** However, the number of Pup Tents in any Grand shall be governed by a majority vote of the Grand Council and where no Grand Pup Tent exists, it shall be a decision of the Supreme Council. Such application shall be made in accordance with the Bylaws of the Military Order of the Cootie.

### Rationale

The idea if instituting a new Pup Tent is to “Increase and Multiply”. However, the current wording of the By Laws allows a new Pup Tent to be formed with nothing but transfers. Therefore, negating “The First Great Duty of all True Nits” to “Increase and Multiply” as stated in the opening ceremonies of the Ritual. Also, this could potentially cause irreparable damage to one Pup Tent simply to create a new Pup Tent, thus defeating the intent for starting a new Pup Tent.

Furthermore, pursuant to Section 201 of the VFW By Laws, forming a new Post requires 25 people, 10 of which must be NEW members. This clearly establishes an intent of growing the organization through creation of a new unit. The Military Order of the Cootie, as the Honor Degree of the VFW should follow this notion by establishing a minimum standard as well. A percentage format would allow for a sliding scale in cases where there are more than 15 members desiring to form a new Pup Tent.

**C. Life Membership Fee Plan C.** A Life Membership Plan “C” shall be established using the current \$9.00 Per Capita Tax and the following fee schedule:

- 1) Plan “B” shall be closed and no new members will be accepted after October 31, 2006.
- 2) The applicable fee from the Life Membership fee schedule set forth herein will be determined by using the applicant’s attained age as of December 31st of the calendar year in which the application is submitted regardless of the actual date of birth.

**Suggested Revision**

**C. Life Membership Fee Plan C.** A Life Membership Plan “C” shall be established using the current \$9.00 Per Capita Tax and the following fee schedule:

- 1) Plan “B” shall be closed and no new members will be accepted after October 31, 2006.
- 2) Any member who is a Life Member in good standing in the Veterans of Foreign Wars of the United States of America and is in good standing with the Military Order of the Cootie may become a Life Member by payment of the proper Life Membership fee to the CCDB or Quartermaster. A member at large in good standing may become a Life Member by payment of the proper fee to the Supreme Quartermaster if they hold a valid VFW Life Membership.
- 3) The applicable fee from the Life Membership fee schedule set forth herein will be determined by using the applicant’s attained age as of December 31st of the calendar year in which the application is submitted regardless of the actual date of birth.

**Rationale**

The purpose of this submission is to clarify the current requirements for Life Membership. The requirement for Life Membership in the VFW is currently specified in Paragraph B of Section 120 regarding Plan “B” Life Membership. As Plan “B” has been closed, this has created some questions as to if that requirement still exists. This change to include this requirement under Plan “C” should eliminate any uncertainties.

#### **Section 607. The Visit to the Tomb of the Unknown Soldier:**

##### **As reads:**

The time of this event, beginning in the year 1971, shall be selected by the Supreme Commander on a date as close as possible to Veterans Day as is determined to be appropriate. The Supreme Commander shall appoint the 4th Supreme District as the Host for the event commencing with the 75th Trek in November 2009. The 4th Supreme District shall continue utilizing a Tomb Trek Committee to plan, coordinate and fund all future Tomb Trek events. It shall be the duty of the 4th Supreme Council Member to see that all plans are made and carried out, including the proper policing of the affair. An audited summary financial report shall be submitted to the Supreme organization within 60 days after the event. Full advance information of the affair shall be placed in the Cootie Courier.

##### **Recommended to read:**

The annual visit to the Tomb of the Unknown Soldier, known as Tomb Trek, shall be the responsibility of the Supreme Quartermaster. After coordination with Arlington National Cemetery staff, this event should take place on a date as close as possible to Veterans Day. The Supreme Quartermaster or Assistant Supreme Quartermaster may assemble a committee, to plan, coordinate, and carry out administration of this annual event. A summary financial report shall be submitted to the Supreme Trustees within 60 days after the event. Proper advance notification of the affair shall be announced in the annual Military Order of the Cootie Program Book.

##### **Rationale:**

After the dissolution of the Supreme Districts and the conclusion of the 86th Tomb Trek, responsibility for the administration of this annual event falls on the Supreme Quartermaster since primary duties require collection and disbursement of funds, obligating the organization through contracts, and coordination with external agencies.

### **R-1**

#### **Changes to the Supreme Ritual**

NOTE: There were a large number of suggested changes – none of which were substantive, but rather to adjust language for gender neutrality and to provide clarification. Due to the changes being through the document, it is not feasible to include within the Courier. The Supreme Judge Advocate will coordinate the best way to get the proposed changes out for review in a separate mailing to remain within the guidelines of the Supreme By laws.

# Security Upgrade at Supreme HQ

## Chesty Puller is the new Supreme Security Bear.

The *Idaho Cooties Pup Tent 3* has closed their doors. So, Idaho *Chesty Puller* became a member at large and wandered many days and nights throughout the land before stumbling into Supreme Headquarters looking for a place to call home. *Horny Toad Bear* and *Curious Worm* welcomed him into Supreme Headquarters and he is now complaining about having a monkey on his back. The Quartermaster tried to appease him by promoting him to the Supreme level and gave him a set of gold tassels and employed him as *Supreme Security Bear*. He is a hard worker, never late, always on board and never complains about the food or salary. However, he is in the process of taking legal actions to see if he can claim disability because of his back issues.

## Memorial Day Message

There's an old biblical passage which has profound relevance for this observance of Memorial Day. In the book of 2 Samuel, chapter 23, we read about the exploits of King David's mighty men. These mighty men were elite soldiers in Israel's army who distinguished themselves by exceptional valor in combat.

But among their exploits is one that seems out of place. It's the account of David's top three mighty men who overheard him say, "Oh that someone would bring me water from the well of Bethlehem" (2 Samuel 23:15). Now Israel's archenemy, the Philistines, had established a garrison in Bethlehem, David's hometown, and it was heavily guarded (2 Samuel 23:14). So, David couldn't have been serious about wishing for someone to bring him water from Bethlehem's well. He knew such an effort was suicidal. David was merely voicing a complaint about his thirst.

Yet these three mighty men were so eager to please David that they broke through the Philistine ranks in a fierce fight, drew water from Bethlehem's well, and fought their way back to bring it to David.

This selfless and valiant act so deeply moved David that he considered the water they brought him far too sacred to drink (2 Samuel 23:17). In David's mind, to merely guzzle it down to satisfy his own thirst would be a dishonor to the men who risked their lives to get it. To David, the heroism of his men had made the water holy, fit only for a divine and lofty purpose. So, David offered their gift to the only One worthy of it – God Himself - and poured it out on the altar of God as a drink offering. David honored that for which his men had risked their lives.

In November of 1863, President Abraham Lincoln expressed the same logic and sentiments at the Gettysburg Battlefield in his famous Address. To the soldiers and statesmen who gathered on that battlefield to dedicate a portion of it as a national cemetery, Lincoln made this point. He reminded them that the ground where more than fifty thousand Americans had fallen was already dedicated, sacred, and holy. He explained, "We cannot dedicate, we cannot consecrate—we cannot hallow—this ground. The brave men, living and dead, who struggled here, have consecrated it far above our poor power to add or detract." Lincoln

**Chaplain David Causey**  
**US Army Retired**

explained that the very ground beneath their feet had become sacred by the heroism and blood of those who fought to preserve our nation.

If that was true for the hallowed ground of Gettysburg, isn't it also true for the whole of America, for its flag, its National Anthem, its freedoms, and the values of life, liberty, and the pursuit of happiness? Haven't the three million killed and wounded Americans from 1775 to this present day, who died that we might live – haven't they consecrated these values, our flag, and our entire nation? Hasn't their blood made these things sacred, and doesn't it justify our patriotism and passion for America?

Patriotism – love for our country and zeal for its Constitution – is the most appropriate response to the sacrifices and heroism of the men and women in uniform who've preserved this great nation. We honor our fallen service members by honoring and preserving that for which they died. For every Soldier, Sailor, Airman, Marine, and Coastguardsman, has taken an oath to support and defend the Constitution against all enemies, foreign and domestic. Therefore, we honor their sacrifice by guarding our Constitution and embracing patriotic feelings.

Our patriotism is essential to preserve America. Patriotism inspires us to cherish those freedoms which were bought with the blood of our brave men and women in uniform. A people who are zealous for their country cannot be easily conquered. This is why those in America who bash our country always condemn patriotism as fascism. They attack patriotism because it inhibits their ability to gain control over America. Indeed, patriotism is a safeguard against all forms of tyranny and dictatorship.

But has America lived up to the worth our fallen warriors placed upon it? I believe that the terrible price our brave warriors paid for this great land has not been in vain. For the America for which they died remains the greatest, the most caring, and the most generous nation in the history of the world.

Just consider, for a moment, the generosity of Americans. America's giving to charity amounted to \$471 billion in 2020. This exceeds the GDP of 166 of the world's 190 nations. But even this pales in comparison to those who gave their lives that America might live on to bless the world.

Consider another sign of America's goodness. Americans adopt more orphaned and abandoned children from abroad – regardless of their race, ethnicity, or color - than any other nation. In fact, several million of its citizens, 18 years and younger, were born in other countries but were adopted by the loving people of this most compassionate nation. This awesome tradition began when returning WWII veterans brought back stories of suffering and abandoned children in Europe and Asia. American families opened their hearts to welcome these victims of war into their own homes.

And although America's military is the most powerful in the world, it does not fight wars of

conquest, but only to deliver the oppressed and defend the helpless. And even though its Army wields devastating power, its soldiers find their greatest satisfaction bringing relief to the victims of catastrophe, performing humanitarian operations, and delivering clothing and toys to children.

Yes, America is so attractive to the outside world that its borders must be guarded. But it's not to keep its own people from escaping, but to control the flood of immigrants hungry for its limitless opportunities for a better life.

This world would be a woeful place without America. Who else but America stands ready to check the aggression of Russia and China and the terrorism of Iran? Fortunately, God has raised up men and women with the courage, selflessness, and dedication to fight for America's survival and success.

Not all Americans can do what they have done. In fact, only a small portion of the population will ever qualify to wear the uniform, deploy overseas, and wage war in a combat zone. But all Americans can and must honor their sacrifices and the nation for which they died. In the words of Abraham Lincoln,

"It is for us the living, ...to be here dedicated to the great task remaining before us -- that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion -- that these dead shall not have died in vain -- that this nation, under God, shall have a new birth of freedom, ...that government of the people, by the people, and for the people shall not perish from the earth."

If we would honor America's fallen warriors, then let's pledge ourselves to that cause for which they died. Let's love the country they fought to defend. Let's honor the flag under which they served. And let's comfort and support the grieving families they've left behind.

And we owe it to their successors, today's generation of American warriors to whom the torch of freedom has been passed, to thank them for their service and support them with our prayers. Let's pray for them that God will keep them physically strong, morally straight, and spiritually fit. Let's pray that God Almighty will grant our military supreme success in its missions, protect its men and women from all harm, and bring them all safely back into the arms of their families and loved ones. May God bless them and that nation which they serve, Amen!

## Iowa Veterans Home Spring Carnival Support

Grand of Iowa Cedar Bugs Pup Tent #6 Cooties Seam Squirrel Rick Martin and Shyster Curt Goodrow man the "Chuck-A-Luck" game at Iowa Veterans Home Annual Spring Carnival April 13th, 2022. The residents picked a number from 1 to 6, then Rick & Curt spun the chuck-A-Luck. If the residents number came up one of more times on the dice, the resident picked one or more prizes from the table. All prizes were donated by Cedar Bugs Pup Tent #6. This was the third year the Cedar Bugs Cooties have supported the Iowa Veterans Home annual Spring Carnival. The event had 91 Veteran residents attend the Spring Carnival and was indeed a LOUSY time for Rick and Curt. The Cedar Bugs Cooties will also be supporting the Iowa Veterans Home "Food Fair" in July where the Cooties will be serving maid rites to the Veteran's Home Residents.

It is with sorrow that I am informing you of the passing of MOC representative for Oregon Ron Schelin from 2007-2022 and VFW Life member on April 4, 2022 at the age of 90 years old from bone cancer. Ron was a key Leader for VFW Post 9745 and MOC Pup Tent 22. He also served under the VFW Honor Guard for 45 years. In knowing him personally, Ron was a gregarious and people loving individual with great pride for America and her veterans.

Ron served 4 years under the US Air Force during the Korean War. He was interned at the Roseburg Memorial Gardens cemetery on April 21, 2022.

Here are pictures of Ron prior to his illness. Above: memorial weekend 2021 (seated w/Lifetime Auxiliary Member and Cootie Sue Homan). Below left: Receiving of a Quilt of Valor at his home in 2022 with Daughter Tina Schelin kneeling by him on the right.

***Puget Sound Honor Flight's*** mission is to transport Western Washington war veterans to Washington D.C., to visit and reflect at memorials dedicated to honor their service and sacrifices.

In March of 2013 a varied group of Puget Sound area individuals, who realized they all had passion for the same cause, came together to create Puget Sound Honor Flight. With the help of the Corporate office, along with countless hours of support, advice and guidance from our sister hub, Inland Northwest Honor Flight and Honor Flight Chicago, they put in motion an inaugural trip seven short months after starting up. With over 200 WWII veterans already on an wait list of Western Washington residents, Puget Sound Honor Flight committed to giving these heroes their "One Last Mission". At the end of their 2019 travel season, PSHF has taken over 1,400 veterans to Washington, D.C.

## Listen Cooties!

We all did a Crummy job this past year being as "Busy as Bees" getting out there and visiting our veterans and their families to "Keep 'em Smilin' in Beds of White!" In this issue there's a cartoon about getting out there. Feel free to shred it and spread the pieces around to all Specie Pediculi.

In this issue of our Crummy Rag there are no *general orders* from the MOCA.

After completing your 3rd degree initiation, did you ever wonder where your "Honor Degree" was? We are the "Honor Degree" of the VFW, right? Well, now there is an actual "Honor Degree" for our *Crummy Fraternity* of Specie Pediculi; authorized by our Supreme Commander, Olin Parks. The PDF fillable version can be found on the Forms page under the Pup Tent tab: <https://www.lotcs.org/forms.html>. So, once you have completed your 3rd degree initiation, you now will have proof of your journey from Atom to Nit to Grayback and finally to a Cootie. What about if you've already completed your 3rd degree initiation? Not to worry, the degree is retroactive. So, have the present Seam Squirrel (the issuing authority) print your degree.

Finally, I want to thank all Specie Pediculi for sending in pictures and articles to the Cootie Courier! Without each and every one of you, the Cootie Courier wouldn't exist. Remember to include who, what, when, where and why in yours submissions and when sending in photos, I accept JPEG, PDF, TIFF and PNG files. Send all your Crummy submissions to be shredded to: [cootiecourier@lotcs.org](mailto:cootiecourier@lotcs.org).

Yours in LOTCS,
