

Cootie Tickle

June 2022

Listen Cooties, Cuties and all of the Crummies...

As our new administrative year has begun, it is imperative that everyone becomes familiar with the current activities that will be monitored this administrative year. In order to be successful, we must continue to move forward and multiply our nits. With this in mind, please continue to work on improvement in communication. We have an administrative system now that is tuned to performance. Grand Commanders are commended on staying current and being part of the administrative team by participating in Zoom meetings and sharing their ideas. We can only grow if we can focus on improvement!

The membership is be commended on improving our VFW members - we can always do a bit better. So, don't rest on your laurels. We are the "**Honor Degree**" portion of the VFW. Let's continue to shine and fill the VFW ranks so we have new nits to select from.

On a more personal note, I want to thank each and every one of you for being fellow Cooties and not being afraid to change old habits and make us successful in many venues! Proud, does not convey my appreciation!

Yours in the LOTCS,

Olin Parks
