

BURT G. NESTLE
(1927-2021)

The passing of Burt Nestle is a very sad moment for me as well as it is for others, he was my mentor in VFW Post 9951, he was my mentor in The Cooties Pup Tent 6, and a very good friend. It appears that God needs Angels and he is calling my mentors (Oden, Bear, and now Burt) may they RIP they will all be missed. I sent a card to Burt's family.

It is with a Heavy heart to report that we lost a Veteran of Three Wars; WWII, Korea and Vietnam. (**Burt G. Nestle**) I have always been moved by Burt Nestle's dedication and service to our beloved Country. A Patriot and Veteran that came to the calling for three wars and still serving in the VFW with vigor and enthusiasm. That is untold in today's times.

Burt was VFW Post Commander for Bangkok 9951, (93-99), (89-92), (79-80,) WOW Top That....

And a Loyal Military Order of the Cooties, Pup Tent 6 (Charter Member) **Cootie Number #7** and (Life member #20311). He did not throw in the towel and hung with our organization in spite of today's opposition. *This I respect the most.* Since our Organization was Founded, September 17, 1920, in Washington D.C; he knew that. Think about that Cooties, 1920.

Burt passed away on 7 March 2021 and was buried on 8 March 2021 by the wishes of his family. He passed away with medical complications and was 93 years young. Soon to be 94 in June.

Please say a Prayer for Burt and his family. He will be missed by us Comrades. Grieve with me and the family.
