Commander: B.K. Hubbard, Post 9876

Senior Vice Commander: Bill "Bear" Hudson, Post 9951

Junior Vice Commander: Robert Owens, Post 9951

Bill "Bear" Hudson assumed command of District V as of 28 April, due to B.K. Hubbard passing away and was cremated at Wat Chai in Pattaya. Over 200 attendees were at his cremation. Swa of the Lookout Inn, hosted a Wake for Hub following the cremation.

Brief Remembrance of Hub

Bobby Kent B.K. Hubbard “Hub” was “The Man.” Hub, was amongst my closest of friends and a totally unforgettable wonderful human being.

A salty sailor, thru and thru, he loved to use his nautical jargon as part of his persona. He delighted friends and acquaintances with his enjoyable “sea” stories of his varied romances and the successes and more than often non-successes. A North Carolina boy who emulated the image of a “down to earth” guy; he hated meat-loaf but loved white wine, Bloody Mary’s and his favorite nurses (whether they worked in the traditional medical field or, as happened most of the time, in Hub’s non-traditional medical service.) He believed there should always be a work place for youthful nurses.

You could not find a better friend or a person who looked out for those around him. A Senior Chief Petty Officer in the Navy, Hub epitomized the term “True Leader.” When Hub spoke, people listened. However, even more than that, when people spoke to him, he listened.

After a distinguished naval career, Hub dedicated himself to his other love, serving veterans. He was a supportive member of the American Legion China Post #1. However, he was a major force in the Veteran’s of Foreign Wars (VFW). Hub, as he did in the Navy, worked his way up from the smallest of jobs to some of the highest positions of leadership.

Hub, commanded VFW posts and Districts throughout Asia. He was a powerhouse of leadership in the Philippines, where he also was elected as the MOC (VFW Honor Organization) Grand Commander for the Department of Pacific Areas. His remaining years continued with his passionate work as Commander of VFW District V, Department of the Pacific. The District now ranks as one of the best if not “The Best” of VFW Districts in the Pacific Area. Even with failing health, Hub strived on and traveled to all the Posts from the far North of Thailand to the

Capital of Cambodia. We all truly profited from his work, dedication and caring.

Just a couple of weeks prior to his passing, Hub was devastated by the loss of his daughter to cancer. Hub loved his family and cherished their lives.

Bobby Kent “Hub” Hubbard died painlessly of a massive heart attack on the 28th of April, 2009; but remains in our memories as “The Man” with the Biggest, Healthiest, and Kindest Heart of all.

Your friends, family, nurses and everyone associated with you, miss you “big guy” and wish you smooth sailing forever.

Bless you Hub,

Bear

All officers were present except for Surgeon Al Evans, Trustee 2 year Burt Nestle, and Trustee 3 year Donald Ratcliffe. 29 members were present. There was one guest, Rob Robinowski from the US Embassy in Phnom Penh. **Post Cdr’s attending:**

6. 12074 Chiang Mai: Post Commander Michael Holmes, Present with report

Guest speaker Rob Robinowski spoke on the following points: **Security** here in Cambodia is considered to be a dangerous place. The streets at night do not have much police presence to be seen. Petty theft and armed robbery do occur, but not too often. Westerners are targeted, of course and advised us to be vigilant at all times, especially when using ATM machines. Late at night is a bad time to be out on the streets as there are very poor and very rich people out, so don’t mess with the rich ones as they have guns and body guards and you will lose. Drugs here can be dangerous, as in drugstore purchased items. The quality can vary, as can the strength.

Rob told us that fees for ACS (American Citizen Services) are going up soon. You can view the embassy web site for details. For example, the cost for getting extra passport pages will go up to \$83. He advises us to get them now, as within 3 or 4 months the new high prices will be in effect. He noted that when renewing your passport, you can request 52 pages rather than 30 pages at no additional cost. This July the embassy will observe the 16th anniversary of Cambodia-USA diplomatic relations. Rob requested input from US citizens about how to improve ACS. Here they have online reservation system, and soon will do more online. Social Security certified copies are still free.

CDR Hudson asked about relations between Thailand and Cambodia and about convicted fugitive & former PM Thaksin and what the embassy has to say on that. Rob said that they have had some security drills lately at the Embassy, and that security posture appears to be heightened. Trade between Thailand and Cambodia has dropped about 22% and it seems that relations have deteriorated in the past few months.

Moved by Comrade Falk to make a one-time grant of 5000 baht to aid this man, named Marvin Flynn, said money to be processed and handled by the US Embassy. Seconded by Chaplain Miller, motion carried. There was some additional discussion about how the embassy can not and will not help just any US citizen who comes there seeking a handout.

CDR Serrato read his report, which he will present at DPA convention next month. Much of this report had to do with the Thailand Flood Relief Fund. There was discussion at length about how the money would be disbursed fairly.

Luncheon tomorrow with National Officers with National to pay. D5 officers, Post CDRs and other VFW members are invited to attend. Time will be 12 noon.

Comrade Neutzler of Post 9951 asked about who has a voice at D5 meetings and who can attend the luncheon on Sunday. CDR Serrato answered his questions.

There was discussion about whether family members would be invited to the luncheon Sunday. CDR DPA Hirshbein advised us that this would not be ethical, as the luncheon is a business meeting of VFW members and senior officers. Non-VFW members, such as family, could attend, and pay their own tab.

CDR Serrato spoke about the DPA convention June 10-14 in Subic and the National convention July 21 – 25 in Reno, NV.

Comrade Burt Nestle reminded us all to buy a funeral wreath when needed in our areas, and District would automatically reimburse for it. Also, if the deceased is a Cootie, buy a wreath on behalf of the MOC and it also will be reimbursed.

Comrade Ken Falk, CDR 10249 Udorn Thani, described how his Post members meet informally several times a month at various locations, wearing their VFW shirts, as a way of advertising our presence here in Thailand and as a recruiting effort.

Surgeon Petrides suggested that we put up an informational poster at the US Embassy, to let American Vets know that we are here.

CDR DPA Hirshbein addressed the group and talked about a possible new VFW policy requiring 85% retention rate of new annual members in order to receive All State awards. He said this might pose difficulty for our Posts in Pacific Areas, as many of our potential recruits are transient, active duty military personnel. He thanked us for the warm welcome and comradeship we all offered him here in Thailand.

50-50 drawing, big winner Mike Glatz.
