

1. On July 29, 2020, Commander-in-Chief Hal Roesch issued Executive Order No. 1 with concurrence of the National Council of Administration. The intent of Executive Order No. 1 is to allow the business of the organization to be continued and conducted in a fair manner that observes the rights of all members while complying with government orders and mandates where COVID-19 restrictions exist to include conducting such required meetings and conventions electronically.

2. On April 22, 2021, the Adjutant General sent the following notice on behalf of the Commander-in-Chief: “We have been informed by representatives of the Baltimore Convention Center that, due to circumstances beyond its control, the Baltimore Convention Center will not be able to accommodate our contractual needs for the 2021 National Convention. As such, it is not possible to hold the 2021 National Convention in Baltimore.

We are in the process of exploring other feasible options to conduct a convention at alternative locations.

As soon as those options are available, they will be presented to the Council of Administration for consideration of the alternative locations, and a determination on where and how to hold our National Convention.”
