These three are the minimum.

All six award nominations are preferred.

MEMBERSHIP

Membership has always been the challenge.

First and foremost, recruit for your Posts.

Then see how they support the Post.

Then recruit those who show dedication to the VFW

And will also show the same dedication to the Cooties.

**Recruiting for the sake of numbers is not good for the Pup Tent Or the
Grand in the long run.**

Advertise, wear Cootie shirts so people ask “Hey what’s a Cootie”

Lead by example and people will be more open to the Life of a Cootie.

**We work harder and longer to make sure those in need have what the
need when they need it.**

Keep them smiling in beds of white is not just a saying

It's our duty as Cooties.

Recruit those who feel the same way.
