Hope all our **Lousy Cooties** are well and getting through the Pandemic. My thoughts are with you all.

I have attached information on the D5 Cootie website and how to get to it. You can tab the **Cootie History** to see how we got to where we are now. And the April 2020 minutes on website link reporting some thoughts on our way forward. Plus we posted all the previous minutes I could muster up.

Cootie positions within District V are still **open**. And **I need your help bringing the Pup Tent back to Life.....**

We are also making plans to have Video Conferencing in conjunction with Scratches so you all can participate *when travel is not an option*. We are using Google Meet at the moment with District and Post meetings. More to follow>>>> So many of the position can be filled where you are not required to travel and help our cause fulfilling the Cootie Mission.

We are planning our next Scratch in the month of August if our restrictions are lifted.

- Location: Chiang Mai
- Date & Time: TBD

I want to **thank Dave Borchers** from Post 10217, (Korat) for updating our M.O.C webpage. Our focus is getting Cooties the information that you all so deserve.

"Please take care of yourself and God Bless you and your families during this eye watering Pandemic."
